Certificate

Standard **ISO 9001:2015**

Certificate Registr. No. **01 100 2416930**

Certificate Holder: **GRUPO GRANSOLAR, S.L.**
Avda. de la Transición Española 32 - Parque Empresarial Omega
28108 Alcobendas (Madrid)
Spain

including the locations according to annex

Scope:

- A) Development and marketing of construction projects for photovoltaic solar installations
- B) Projects desing, construction of photovoltaic solar and energy storage installations
- C) Design, development and manufacturing supervision of controllers for photovoltaic and energy storage installations
- D) Projects design and construction of photovoltaic solar installations.
- E) Project desing of photovoltaic solar installations and energy storage installations
- F) Management, operation and maintenance of photovoltaic solar installations and energy storage installations.
- G) Design and construction engineering of civil, mechanical and electrical engineering works for low, medium and high voltage installations within the renewable energy generation sector, including, but not limited to, ancillary services and associated pre-commissioning and commissioning activities.
- H) Management, operation and maintenance of photovoltaic solar installations and energy storage installations.

Proof has been furnished by means of an audit that the requirements of ISO 9001:2015 are met.

Validity: The certificate is valid from 2026-03-24 until 2028-02-27.
