

Certifies that the Environmental Management System  
adopted by the organization

## GRUPO GRANSOLAR, S.L.

*Avda. de la Transición Española, 32, Parque E. Omega, Edificio A.  
28108 Alcobendas (Madrid)*

Meets the requirements of the Standard

## UNE-EN ISO 14001:2015

The Environmental Management System applies to the following scope:

Marketing of construction projects for photovoltaic solar installations.

Construction of photovoltaic solar installations.

Software design (Scada and maintenance programs) for renewable energy generation plants.

Design of electronic boards and components with applications for the solar industry.

Projects drafting, construction and projects management in photovoltaic solar installations.

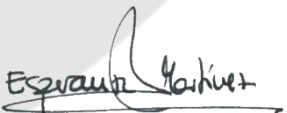

Management, operation and maintenance of photovoltaic solar installations.

Design and manufacture of hardware (support structures and trackers) for renewable energy generation plants.

Manufacture and assembly of communications systems and electronic cards and components with applications for the solar industry.

### Number 8084-E

Certificate Issue Date	23 / 12 / 2008
Recertification Date	23 / 12 / 2020
Certification Expiry Date	22 / 12 / 2023
